

Bull's-Eye Food Guide[®] and Target Fitness Weight Management Program Manual

The Bull's-Eye Food Guide and Target Fitness Weight Management Manual is a comprehensive 12 week weight loss program. The manual contains an extensive set of reproducible client education materials and a license for the Bull's-Eye Food Guide.

All materials are copyrighted, but a license agreement allows reproduction of supplemental materials under rules set forth in the license. The Bull's-Eye Food Guide and Target Fitness Weight Management Program Manual is furnished under one of two different license agreements. Single providers and group practices with less than ten (10) providers at a single site should obtain a manual with a "single provider and small group" license. Group practices with multiple sites or more than ten (10) providers are required to purchase a "site license".
